To whom it may concern,

I am writing this personal letter support for Mr. Sal Montelongo, Veronica Cabada, and the entire Lucid Love organization for their extraordinary efforts in the communities of El Paso. They have been extremely generous and kind with their time, resources, and activities or the children of our shelter to benefit from. They themselves have provided numerous motivational and anti-bullying presentations, have coordinated guest speakers, and have invited our minors to educational/ recreational events. We are very fond and appreciative of their commitment helping us in our mission to open doors to opportunities so individuals can achieve their dreams. I would like to extend my support to any projects and endeavors that this organization is pursuing at this time and continuing to impact the lives of so many children. Thank you for your time.

Respectfully,

Ernesto Tapia
